INVEST IN YOUR FUTURE

The Total cost for the 16 day Leadership Development Camp is \$650. This includes registration, a t-shirt, and a camp photo.

Please don't let the cost of camp keep you from signing up! Financial assistance is possible through several sources. Contact your local church to inquire about receiving assistance. LDC also has some bursary funds available, so contact us if you have any questions or concerns.

Help sponsor a youth or contribute to our bursary fund!

LEARN AND GROW

At Leadership Development Camp, you will learn a lot about yourself while making amazing friendships, great memories and having crazy adventures! Over the course of 16 days, you will be challenged and encouraged as you transform your faith, gain practical leadership skills, and potentially transition into summer camp staff leadership. We make sure that your learning times are interactive and relevant to you, through teaching times, discussion sessions, workshops, and connecting in small groups

Over the two weeks, we will provide you with opportunities to SERVE and to LEAD in your faith, and in potential leadership roles. You will learn how to serve your group members, and will also help with work projects and program activities at the camp. These experiences will give you many opportunities to discover and live out LDC's key principle, "servant leadership."

What is Leadership Development Camp?

LDC provides you with opportunities to grow in your faith and leadership potential, under the guidance of an experienced team who serve you with a Biblical model of leadership

Traveling Camp: We'll travel together to 3 United Church camps and enjoy a three day canoe trip in Algonquin Park.

Community Living: Experience the joy and hilarity of sharing life with 15-20 other teens and leaders. Lifelong friendships are often formed through LDC.

Faith Development: Deepen your faith through teachings, worship, Bible studies, prayer and real-life application, as we dive into what it means to be a Christian.

Leadership Development: Learn and experience growth as a leader, based on Biblical principles and practical skills.

Volunteer Placements: LDC is followed by a volunteer placement* in a camp, church or community setting

*Placements are assessed on an individual basis and are at the discretion of the LDC staff. Placements are not guaranteed.

The counselling staff who are chosen for LDC are carefully screened and selected. They have a desire to work with and for the good of young people. They provide mature, experienced leadership while displaying a genuine faith and life as Christians.

The final phase of LDC includes reunion & evaluation weekend held in early autumn at a local church.
